#### STEPS POST THIS EMPANELMENT CERTIFICATION

Once an organisation is empanelled with the National CSR Hub at TISS, there are 3 modes of partnership:

- The organisation's details alongwith thematic and geographical areas of empanelment are shared with those corporations that have signed MoU with the National CSR Hub, TISS. These companies 'may' get in touch with empanelled partners, as per their CSR policies and areas of engagement.
- Empanelled organisations may themselves approach prospective CSR funders with not only a copy of the letter, but most importantly with a project proposal.
- The National CSR Hub at TISS also has a project proposal bank of outstanding social sector projects. Your organisation is eligible for submitting one project proposal application towards the proposal bank. The National CSR Hub at TISS does not assure funding for projects accepted in proposal bank, but plays a proactive role in connecting potential CSR funders with project accepted in proposal bank. Your organisation may like to download the TISS National CSR Hub Proposal Bank's Proposal template from our website [www.tiss.edu](http://www.tiss.edu) and apply towards the proposal Bank by sending an email to [csrprojectobservatory@gmail.com](mailto:csrprojectobservatory@gmail.com)

The National CSR Hub at TISS regularly conducts Capacity Building initiatives for development sector organisations all over the country. If your organisation is interested to invite Master Trainer from TISS to impart Capacity Building Workshops on Financial Management, Good Governance and Program Management, do write to us at [contact.empanelment@gmail.com](mailto:contact.empanelment@gmail.com)

Please note that for the duration of the empanelment with the National CSR Hub, your organisation may be subject to periodic reviews. If the review team is dissatisfied with your organisation's functioning, your empanelment with the National CSR Hub may be terminated. We are sure that you understand that this would be in the interest of building effective partnerships and interventions.

Henceforth, you are eligible to be considered for projects under CSR. You may use this letter in the course of subsequent interactions with those Institutional partners that have signed MoU with the Tata Institute of Social Sciences

We welcome you to this endeavour.
